SUMMARY

Computer Engineering undergraduate with experience building 30+ full-stack, AI, and cloud applications. Proficient in React, Node.js, Python, PostgreSQL, MongoDB, Docker, and AWS, with freelance experience delivering production-ready software and deploying modern web applications.

EDUCATION

University of Mumbai

Bachelor of Engineering (Computer Engineering)

Expected Graduation: 2027

EXPERIENCE

Freelance Full-Stack Developer

Independent

2025 – 2026

- Delivered production-ready web applications for 2 freelance clients using React, Node.js, Flask, PostgreSQL, and MongoDB.
- Designed REST APIs and deployed applications using Docker, Render, Vercel, and Cloudflare Pages.

PROJECTS

AI-Powered KYC Verification Platform

- Developed an AI-powered identity verification platform integrating OCR, facial recognition, and secure backend APIs.
- Built multilingual verification workflows with automated identity validation for secure KYC processing.

PipelineXR – DevSecOps Observability Platform

- Developed a DevSecOps platform for GitHub Actions monitoring with CI/CD analytics, DORA metrics, and security reporting.
- Integrated Trivy and Snyk for automated vulnerability scanning and AI-assisted remediation.

STANS – Smart Traffic-Aware Navigation System

- Built a graph-based navigation system using shortest-path algorithms for intelligent route optimization.
- Containerized the application using Docker, configured Nginx, and automated deployments through GitHub Actions CI/CD with GitHub Container Registry (GHCR).

TECHNICAL SKILLS

Languages: Python, JavaScript, TypeScript, Java

Frameworks: React, React Native, Node.js, Express.js, Flask, FastAPI

Databases: PostgreSQL, MongoDB, Firebase

Cloud & DevOps: AWS, Docker, GitHub Actions, Render, Vercel

Tools: Git, GitHub, GitHub Copilot, CodeRabbit, Postman

CERTIFICATIONS

• AWS Academy Cloud Architecting • AWS Data Engineering • AWS Cloud Virtual Internship • CI/CD for Beginners

ACHIEVEMENTS

• 30+ GitHub Projects • 252+ GitHub Contributions • GDG Hackwins Winner
